Memorabilia

CLINTON HIGH SCHOOL

It is with pleasure that we, the Class of 1949, dedicate our Memorabilia to Miss Mildred E. Gannon, our class advisor.

We appreciate the countless hours and tireless energy she has expended for us during our four years.

May this dedication, although wholly inadequate, serve as our tribute to an ideal member of the teaching profession, to whom we bid a sad au revoir.

Class History

Freshmen

Looking back to that September day in '45, when we entered high school, we remember how we felt as we realized that at last we were in high school. Yes, we were big boys and girls now. This illusion did not last long, however, after we found ourselves confronted by upperclassmen who soon changed our attitude. We recall their superior attitudes and their misguidance which caused us to be late for our classes so many times those first few days although we seemed to be always in a rush (not being accustomed to Clinton High School habits).

Our first school assembly that year was a football rally. We practiced cheers and songs that we might lend support to our football team. The Town Hall rafters rang as we added our lusty voices to those of the upper classmen. 1945 was the year our Green and Gold Band made its first appearance and that year our football team won the Class "C" Championship.

After Christmas we heard talk of "Mid-years" which were entirely new to us and we became a little worried and somewhat anxious since some of us had brought home sad tidings at the end of the first quarter.

A high light in our first year was the Navy Day parade. We had not yet organized as a class so we had adopted no class colors. Mr. Cobb had a beautiful felt banner made up for us in green and gold, the school colors, and we were so impressed that when we organized as sophomores we adopted green and gold as our class colors, therefore, giving these colors a two-fold meaning for us . . . our school and our class!

Just before school closed for the year we had a field day . . . we marched, headed by the Band, from school to Savage Field, where a program of races and games had been planned for all classes. We had our first chance to show our athletic ability and it was on that day that some of our star athletes made their debuts.

Some of us, young and timid, ventured to the Junior Prom and discovered the wonder of a "formal." It was a night to be remembered . . . a land mark! When we returned to school in September we would be Sophomores!

Sophomore

September soon came, too soon, and we were returning to school but this time things were different. Instead of being pushed around, we went merrily about our business. We were no longer on the bottom shelf. We were now superior . . . at least to the Freshmen.

We witnessed another successful football season in which Clinton High retained the Midland League Championship and we were very proud of our own classmates who made the first team and contributed to the victory.

We organized as a class and elected Michael Pizza, President; Janet Robichaud, Vice-President; Jean O'Brien, Secretary; and Raymond Dyer, Treasurer. And we started our treasury by paying our first class dues.

By this time, report cards gave us little worry as we had learned to prepare alibis in anticipation of the trend toward red ink. Mid-years came again and although still a great obstacle, we took them in our stride.

June came and brought another Field Day . . . and another Junior Prom. And with it came the realization that we had completed half our high school course!

Junior

Coming back here each year had become a habit now. We were upperclassmen and this was going to be a busy year for us. How superior we felt to the Freshmen and Sophomores!

To guide us through our Junior year, we elected as officers Mike Pizza, President; Janet Robichaud, Vice-President; Jean O'Brien, Secretary; Anthony Ernst, Treasurer.

We set about the business of building up our treasury so that we could give the Seniors a prom they would remember. We had a raffle and we sold stationery before Christmas . . . and during the football season we ran a series of dances at the K. of C. Hall.

We selected our class rings and after waiting in anxious expectation wore them with justifiable pride.

Mid-years rolled around . . . they were becoming monotonous . . . we still didn't know what good they were.

This year the Senior class decided to revive the Inter-class Dramatics Competition. We put on "The Lie that Jack Built," coached by Miss Gannon, with the following cast:

Jack: Daniel Mitchell
Frank: Richard DeCesare
Helen: Gloria Jackson
Dora: Virginia Gasparian

We worked hard and had fun doing it, but the seniors proved to be the best in the eyes of the judges and they won the prize.

June came, and with it our own Junior Prom! The committee in charge, especially the decorating committee, worked diligently to make it the best Prom on record and we think it was. Gerry Hedin's orchestra furnished the music; the crystal ball transformed the hall into a fairyland. Beautiful girls . . . handsome men. How grown up we felt. In September we would be Seniors!

Senior

We returned to school for our last time. Unconsciously, we assumed a new dignity and self assurance.

We organized early in September and elected Mike Pizza, President; Janet Robichaud, Vice-President; Phyllis Grady, Secretary; Anthony Ernst, Treasurer.

We had work to do to earn enough money for our class book and our graduation activities. We ran a series of dances during the football season at the K. of C. Hall. We had a turkey raffle at Thanksgiving, and we sold five hundred boxes of Christmas cards. The contract for printing the class book was given to Stobbs Press, Inc. in Worcester; and the Sargent Studio, in Boston, is to be our photographer.

This year our "Galloping Gaels" conquered all competition, and as a result, won the Midland League Championship, a feat of both distinction and renown.

On January 27 we presented the Interclass Dramatic Competition. Our own offering, "Johnny Goes Haywire," although we worked hard, was not quite good enough and the prize went to the Sophomore class. Their play was clever and the performance outstanding and everyone agreed with the judges' decision.

After Christmas we settled down to study for our last mid-year exams. And with the passing of these exams, graduation seemed to come closer. Our pictures were taken, class book writeups were finished, senior clubs were organized, rehearsals started with Miss Driscoll, and plans made for graduation week. The most exciting time of our four years . . . the club activities, the trip to Provincetown, the Senior Banquet, our last High school Prom, this time as guests of the Junior class . . . and night of nights . . . Graduation!

Blessed with a winning smile and an arresting personality, it is not hard to see why "Junie" is one of the most popular boys in the school. Activities

German Club

After quite some time of inactivity, the German Club resumed its social functions once again in 1948, under the able guidance of Miss Natalie Praderio, a member of the faculty. The club was a great success because of the co-operation and zealousness of the members and the officers who were: President, Betty Seuss; Vice-President, Elaine Seuss; Secretary-Treasurer, Miriam Carl.

We now think back with fond memories of the wonderful times we had at our meetings—especially those little skits which were written and presented by the talented members of the club—the games planned by the various committees were always something to look forward to. We especially like to recall the climax of our club year, when we went as a group to Boston. There the members spent a very enjoyable evening at the Boston Opera House where they saw a performance of the musical play "Oklahoma."

Band

On June 6, 1944, the now famous green and gold band made its first public appearance. Since then it has thrilled thousands with its stirring marches and excellent exhibitions of intricate formations.

From its first appearance in Lowell, it has won wide acclaim, taking top honors at Ashland, and placing in the first division at the Eastern States Exposition in Springfield. It has electrified the crowds, not only on our own gridiron but on numerous occasions at Holy Cross.

Besides presenting annual concerts, last June, Clinton was host to outstanding Glee Clubs, Orchestras, and Bands, representing various High Schools of Worcester County, in the first annual Central Massachusetts Music Festival.

After five successful years of leading the Clinton High School band, Miss Eleanor Buck ceded her baton to Frosh Sandra Kennedy.

Their followers are certain that this organization, with its striking uniforms and flawless playing, will continue to bring fame and glory to Clinton High School.

Tau Sigma

The Tau Sigma is an organization formed for the purpose of instruction in etiquette, which can be worth much to the young man who must go forth in the world to meet people with an unaffected ease and dignity.

The 1949 Chapter of Tau Sigma was organized in January under the direction of Lewis S. Gordon, Jr., of the faculty. Donald Mitchell was elected President; and Elliott Turnbull, Secretary-Treasurer.

Meetings were held on Wednesday evenings and manners at social affairs were discussed.

The activities for the year closed during Senior week with the club holding its annual banquet. Much praise is due to Mr. Gordon for his unceasing efforts in promoting refinement and culture among the students.

Latin Classical Club. The Latin Classical Club, which is limited to the "intelligentsia," is composed of Latin III and IV students and honor students of the Latin II class. The group meets once a month, under the supervision of Miss Helen Bachose. The purpose of the club is to do supplementary work in the ancient Roman arts and language.

The initiation took place with the Seniors holding the upper hand. The officers of the club, President, Richard DeCesare; Vice-President, Francis Howard; Secretary-Treasurer, Andrew Tivnan; members of the Latin IV class, directed the proceedings.

The club will conclude its meetings with a plan for the annual trip, which endeavors to combine cultural improvement with pleasure.

Le Cercle Francais. On January 12, 1949, a group of French students gathered in Room 8, and under the very capable supervision of Miss Mary M. Kerrigan, organized Le Cercle Francais. At this initial meeting, the following officers were elected: President, William Gemma; Vice-President, Mary Carpenter; Secretary, Dolores Mercier; Treasurer, Marilyn Rich.

The purpose of this club is to further the opportunities of those students who have attained a certain proficiency in the French language. All the meetings are held in French to enable the pupils to improve their command of the spoken language.

Who will forget that afternoon of February 16, when seventeen brave seniors, taking French III, were initiated into this group, causing a mild uproar in Room 8 and on the main street of Clinton.

Meetings were held every second week and dues were collected so that at the end of the year the French Circle may hold its annual banquet which is one of the highlights of the school year.

Debating Society

Sixty students met in early October to form a boys' and girls' debating society under the supervision and direction of the Faculty Debate Coach, Mr. Robert A. Murphy. Weekly meetings have ben held in the Study Hall, and later, through the kindness of the Clinton Historical Society, meetings have been conducted in the Lecture Room of the Holder Memorial.

Officers for 1948-1949 are: Donald M. Mitchell, President; Leo F. McNamara, First Vice-President; Richard A. DeCesare, Secretary; John J. Mitchell, Jr., Treasurer; Walter J. Fallon, Bursar; Sylvia M. Ruberti, Librarian; Pamela J. Alessandrini, Assistant Librarian; Daniel A. Mitchell, Chairman of the Speaker's Bureau.

The early meetings were devoted to the fundamentals of public speaking and the later meetings to the 1948-1949 National High School Debate Question: "Resolved that the United Nations Now Be Revised Into A Federal World Government."

In conjunction with the American Legion the society sponsored the National High School Oratorical Contest in Clinton on February 2, 1949, and the semi-finals for Northern Worcester County on February 27, 1949.

Inter-high school debates were scheduled with Major Beal High School in Shrewsbury, Grafton High School, Fitchburg High School, and others. Entries were forwarded to the Debate Tournaments at Laconia, N. H., Boston University, and the State Championships at Cushing Academy.

The Faculty Debate Coach has contacted the National Forensic League for permission to organize a chapter and as soon as the society has completed the initial requirements the members of the society will have the benefits of New England and national competition.

The members wish to express their appreciation for the interest and encouragement of Mr. Murphy. In future life as we join clubs, unions, organizations, college debating societies, etc., the memory of his calm, confident manner and pointed suggestions will carry us through any difficulty.

History Circle

No sooner had our mid-year examinations terminated when inquiries began to pour in about organizing the History Circle. Under the competent guidance of Mr. Henry O'Toole, the History Circle of the Class of '49, became one of the most popular school activities. We spent many an enjoyable afternoon attending our meetings at the High School, under the supervision of our capable officers, who worked diligently preparing a full schedule for each meeting.

Our most important event was the annual trip to Provincetown, and the History Circle of '49 enjoyed a day that we shall always remember as one of our most enjoyable experiences at Clinton High.

Inter-Class Dramatics

In our Junior year the Inter-class Dramatic competiton staged a remarkable comeback after several years of inactivity. The revival was welcomed whole-heartedly by many dramatically inclined students of all four classes and the response at try-outs was gratifying.

The competition is sponsored by the Senior class and each class presents a one-act play. The play selected as best by the judges is awarded a cash prize. This year, the Sophomore play, "Deferential Kindness" received the prize. Their performance was excellent and everyone agreed with the decision of the judges.

The success of the competition was due largely to the untiring effort and endless patience of Miss Gannon, Miss Kerrigan, Mr. Gordon, Mr. Garrity, and Mr. Flanagan. To these members of the faculty who graciously sacrificed time and energy at rehearsals we are deeply grateful.

"JOHNNY GOES HAYWIRE"

Babs Sutton — Virginia Imbimbo
Mrs. Sutton — Virginia Gasparian
Johnny Burnett — Dan Mitchell
Lenore Dodge — Janet Robichaud
Don Waldron — Americo Ambrosi
Cary Montague — Richard DeCesare

The 1949 Competition, presented at Fallon Auditorium on December 27, was a success both socially and financially. We cannot speak too highly of Miss Gannon, who patiently directed our offering "Johnny Goes Haywire."

As the scene opens, Babs Sutton worships a famous movie idol, Cary Montague, who was once one of Mrs. Sutton's suitors. Irritated by the sarcasm of her boyfriend, Johnny Burnett, Babs gives him the "brush-off." Johnny, collaborating with Lenore, Babs' girlfriend, forms a plan to hire a man to impersonate Cary Montague. The impersonator is supposed to make love to Babs and act like a sap. Everything is perfect until both Cary Montagues show up at the same time and the result is hilarious confusion. The real Montague, who has waited five years after Mrs. Sutton's husband's death, has come to ask her to marry him. Babs, discovering that Cary is not nearly as young and dashing as the movies have portrayed him, returns to Johnny; the impersonator Don Waldron and Lenore fall in love; Mrs. Sutton agrees to marry Cary and everything ends happily.

JUNIOR INTER-CLASS DRAMATICS

"The Lie That Jack Built"

Jack Ellison — Dan Mitchell

Helen Douglas — Gloria Jackson

Frank Montgomery — Dick DeCesare

Dora Taylor — Virginia Gasparian

As our curtain rises, Jack Ellison and Frank Montgomery are present in Jack's bachelor apartment. Jack receives a call from an old flame, Dora Taylor, and invites her up to his rooms. He finally succeeds in getting his roommate to leave so that he can be alone with Dora. While preparing for her arrival, Helen Douglas, his fiancee, calls and informs him that she is leaving town for a few days and that she is going to drop by on her way to the station. Dora arrives first and Jack immediately tries unsuccessfully to get rid of her. When Helen arrives, Jack tries to pass Dora off as his cousin. To add to the confusion, his roommate, Frank, returns and realizing his predicament, decides to teach him a lesson. The result is that Jack loses Helen to Frank. Dora, after giving him a thorough tongue-lashing, departs in a huff. As the door slams behind Dora, Jack exclaims that he will never have anything to do with women again. At this moment the telephone rings and a feminine voice answers his, "Hello." The play terminates as he joyfully replies, "Sure, Mabel, I'm all alone, come on up!"

Boys' State

In 1948, seven members of our class had the honor of representing Clinton at Massachusetts Boys' State. This program, held for nine days at Massachusetts State College, Amherst, was sponsored by the Rotary Club, Lions Club, Exchange Club, and American Legion, Post 50, of Clinton.

Eighteen boys competed for the honor and Mr. Gordon, Mr. McMahon, and Miss Kerrigan were faced with a difficult task of judging their compositions on "The Importance of Teaching Good Citizenship." The seven whose compositions were considered best were William Nee, Daniel Mitchell, Dominic Leone, John Polymeros, Charles Sakellariou, Donald Mitchell, and Charles Joyce. The compositions were identified by numbers rather than names so that the decision of the judges was impartial.

The object of this program was to impress upon us the importance of a good understanding of our government and its functions. Much forethought had been given to the schedule and as a result we were kept busy every minute of the day with classes, lectures, sports, political campaigns, and entertainment. As a result of the elections, the Clinton boys held a total of sixteen offices.

We all enjoyed every minute of our stay on the beautiful campus of Massachusetts State College and hope that in future years the civic leagues of Clinton will continue to make possible this program to the High School students. Mr. Paul Lavelle represented Clinton on the Counselors Staff and proved to be one of the most active leaders of the program.

Girls' State

The 1948 session of Massachusetts Girls' State was held this year at Bridgewater State Teachers College, Bridgewater, Massachusetts, the week of June 18-25, for the purpose of developing good citizenship.

This year the American Legion Auxiliary and the Clinton Women's Club, each sponsored a representative from Clinton. The candidates, selected by competition, were Elizabeth Kinnear and Florence D'Onofrio.

Good citizenship was taught through active participation in the fundamentals of democratic government. Elections were held, and lectures were given by many important persons who had graciously given their time to the student representatives to help them more fully to understand the workings of democracy.

Girls' State also provided many and varied social activities which, all in all, presented a well-rounded program.

Thanksgiving Show

As a climax to the "Big Day" the Annual High School Minstrel Show was presented in the Fallon Auditorium. The show started off with a bang when the chorus, dressed hobo style, welcomed the audience and everyone knew that Mr. O'Toole had scored again.

After selections by our colorful "End Men," there were also special added attractions by the "Musical Majorettes," and the "Quartet of Writ, Vit, Lit, and Vet." Frosh Paul Mahan almost stole the show with his little Irish brogue. The finale was presented by our football champs as they sang a song written by Mr. O'Toole.

JUNIOR PROM

MISS JANET ROBICHAUD
Queen of the Prom

Our Junior Prom, "a little bit of heaven," finally arrived on the memorable night of June 24, 1948. Its success was due to the untiring efforts of the Prom Committee.

The Hall was beautifully decorated with multi-colored streamers. The ever-lovely crystal ball showered a brilliant array of confetti upon the dancers, beautiful girls in lovely gowns and gay corsages and handsome men in tuxedos. The music of Jerry Hedin's orchestra cast a magic spell which will long live in our memories.

The highlight of the evening was the choosing of our "Prom Queen" and her court. Miss Janet Robichaud, our Vice-President, was chosen from the many lovely girls present, to be the Queen of the Prom.

Her attendants were Miss Dorothy Murphy, Miss Marjory Welch, Miss Elsie Sprague, all of Clinton, and Miss Jean Holmes, of Leominster. The Judges were Miss Alice Despotopolos of the Lancaster High School faculty, and Mr. John Donovan of the Worcester Telegram Staff.

Junior Prom

Music Festival

On June 5, 1948, Clinton was host to several bands, orchestras, and glee clubs from various high schools throughout Worcester County, in the First Annual Central Massachusetts Music Festival. During the morning, auditions were held at different auditoriums. Because of the rain, the parade that had been planned for the afternoon, was cancelled, and the drum corps competition, which was to have taken place at Fuller Field, was held at the Armory.

Miss Eleanor Buck, drum majorette of Clinton High School Band, was awarded first honors by Congressman Philip J. Philbin. The finale was a massed bands demonstration which was recorded and later broadcast on WTAG. Senior members of the Clinton High School Band were presented gold lyres as a reward for their part in the success of the band.

Athletics

Football

Clinton 0
St. Peter's 0

The "green and gold" opened its season against St. Peter's from Worcester, and, as in the previous year, the Guardians served as a jinx, for the "gaels" could not let loose those lightning-bolts of their attack. But they did produce a thunderbolt defense.

The Clinton eleven drove to the St. Peter's 4-yard line on a long jaunt by Jim McNally. But on the next play, attempting an end sweep, they were guilty of a fumble, which served as the main reason why the visitors gained a tie with the powerful "gaels," who outplayed them throughout the contest.

Clinton 19
Natick 6

Drilling hard after their tie with St. Peter's, the "green and gold" eleven became a primed gladiator, ready for the contest with highly favored Natick, defending champs of the Midland League.

The Natick eleven opened their attack in the first period but excellent defensive work by the "gaels" soon stalled it. Then the "Galloping Gaels" took over, and they certainly did, never being stopped as they predominated the playing field. Soon a long drive was climaxed and a TD went up on the scoreboard for Clinton. Natick tried to come back strong with a passing attack but it failed.

At the half the visitors realized that the "gaels" were a rampageous, veteran outfit, packing all the weapons in the gridiron annual. Natick scored late in the final seconds of the game on a desperation attempt.

The team work of the "Galloping Gaels" made it hard to distinguish only one player, for they all played their positions like all-stars; first-stringers and reserves alike.

Clinton 7
Fitchburg 0

Clinton traveled to Fitchburg for their first out-of-town game and third of the season. The red and gray of Fitchburg, suffering from two successive stinging defeats, held the powerful "gaels" scoreless unitl the fourth period.

The hearts of the Clinton fans soon filled with triumph as Tom Paulino, a true "Galloping Gael," streaked around end and through the Fitchburg defense like a comet to register our only score. Pat "The Toe" Litterio converted to assure the "gaels" of victory.

This game provided a powerful contest between the two opposing lines as Fitchburg featured a strong ground attack. But in the end the "green and gold" linemen showed their mastery.

Clinton 25
Bartlett 0

The "green and gold" showed Bartlett a powerful and well-balanced eleven in offense and defense as they proceeded to shut them out. Behind beautiful lineplays and blocking the "gaels" scored almost at will. Co-Captain Bob O'Malley scored twice with Buddy Ernst and Tom Paulino pushing across the others.

Bartlett High possessed a heavy but inexperienced line which came face to face with one of the best in schoolboy football. This was proved time and again during the contest as the "gaels" linemen trapped, fooled and overpowered them.

Clinton 32
Shrewsbury 0

The "green and gold" of C. H. S. played host to a speedy Shrewsbury eleven at Fuller Field and from the opening kickoff the "Galloping Gaels" dominated the gridiron with a powerful "T" formation attack.

Tom Paulino displayed beautiful broken field running as he scored three touchdowns on jaunts of 40, 20, and 10 yards. Co-Captain Bob O'Malley and Buddy Ernst ripped off huge chunks of yardage with both scoring touchdowns. The passing of "Chuckin' Charlie" Moran kept the visitors' defense on their toes. Pat Litterio, standout guard, converted twice.

Defensively, the overpowering Clinton line, led by Andy Vetras, John Vitone, and Bob Boynton, held the Shrewsbury eleven within their own territory. The visitors, sporting a new type of offensive formation, the "spread," found this line impenetrable.

Clinton 51
Milford 7

The "Galloping Gaels" had their offensive machine in full gear as they scored a crushing victory over Milford's "red and white" in a Midland League tilt. The alert and powerful "gaels" crossed the visitors' goal eight times. Behind a brilliant line, the Clinton backs ate up huge chunks of gridiron, with Tom Paulino scampering to pay dirt three times.

A rugged defense by the "green and gold" refused to let Milford's attack get under way. Clinton showed they had depth as they used many reserves in the action. This game showed the power and balance of the "gaels'" gridiron machine as they registered the highest score of the season.

Clinton 28
Hudson 0

Clinton showed her mastery on the second play of the game as Jim McNally ran 60 yards for a TD behind strong blocking.

The "gaels" scored twice in the second period. The first came after a short kick gave the ball to Clinton on the Hudson 29 yard line. Here the line opened a gaping hole in the enemy forward wall as Tom Paulino scampered over. As the result of a Moran to Vetras pass on the 7 yard line, fullback O'Malley went over on two line bucks. At half-time, the "green and gold" led, 21-0.

Clinton showed a strong line of reserves during the second half. In the third period they scored on a 52-yard drive, climaxed by a pass, from O'Malley to Cardamone, covering 25 yards.

In the dying minutes of the final period Hudson, as a result of an intercepted pass,

ROBERT O'MALLEY JAMES McNALLY

CHARLES MORAN THOMAS PAULINO

drove to Clinton's six yard line, where a tremendous goal line stand, sparked by the brilliant playing of John Polymeros, held a desperate eleven.

Clinton 40
Marlboro 0

The local seismograph recorded a violent disturbance in the locality of Fuller Field. No earthquake: it was the "Galloping Gaels" of Clinton High School, romping to their seventh straight victory of the '48 season, continuing on their way towards winning the 1948 Midland League Championship.

The locals, paced in the backfield by Tom Paulino, Clinton's Ace Ball Carrier, and one of the county's leading schoolboy scorers, the hard plunging fullback Bob O'Malley, the diminutive, speedy left halfback Buddy Ernst, and by quarterback "Chuckin' Charlie" Moran.

The visitors, in a gallant attempt to score, found the never-to-be-forgotten Clinton line like seven "blocks of granite," immovable and indestructible. The line consisted of Andy Vetras, Irving Wright, John Vitone, John Polymeros, Patsy Litterio, John Moynihan, and Bob Boynton.

The "green and gold" reserves saw plenty of action throughout the contest as a result of the overwhelming score. Touchdowns were scored by the fleet-footed Tom Paulino, Bob O'Malley, Irving Wright, and Chuck Moran.

Clinton 33
Maynard 6

With Co-Captains John Vitone and "Rabbit" O'Malley winning the toss and deciding to receive, the "green and gold," behind the brilliant quarterbacking of "Chuck" Moran, scored on the third play of the game, Buddy Ernst registering a score with a 48 yard jaunt. The offensive minded "gaels" scored five plays later, with Tom Paulino carrying.

Ernst and Paulino provided some of the longest runs ever seen in the Thanksgiving Classic. As a result of his long runs, Paulino became the county's leading scorer.

This game not only clinched the Midland League Title for Clinton but showed the results of successful team work. The "Galloping Gaels" went undefeated all season. With spectacular blocking down-field, brilliant signal calling, and capable backs to follow a fast charging line, the "gaels" couldn't be stopped.

Defensively Clinton showed how they had held eight other opponents to 13 points, as a desperate Maynard eleven drove to the one yard line with a first down. Our line, like seven stubborn mules, would not yield an inch of gridiron. Maynard was successful in crossing Clinton's goal line late in the final period.

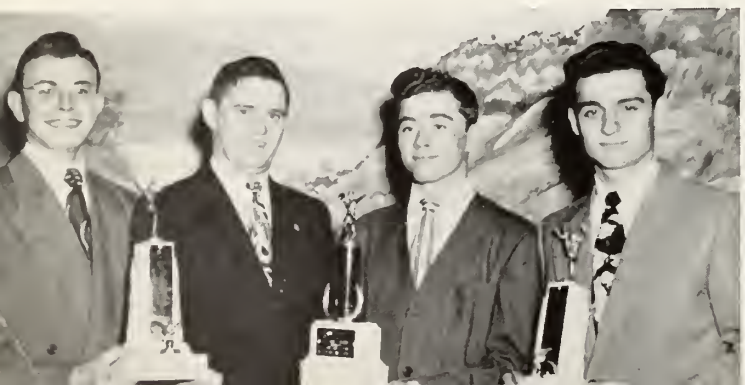
Football Banquet

The Annual Football Banquet, sponsored by the Clinton Service Clubs, has become an event to which every sports minded Clintonian looks forward as an opportunity to pay tribute to their heroes of the gridiron, the cheerleaders and the members of the Band. This year, an undefeated Green and Gold football team was the guest of Rotary and Lions Clubs, which so generously devoted their time and efforts to make the event such a great success.

Congressman Philbin was Toastmaster of the affair and introduced such speakers as Athletic Director McCaffery, Coach McMahon, and guest speaker of the evening, "Rip" Miller of Navy, who awed the guests with one of the greatest deliveries ever given at the Fallon Memorial. His subject was "Education."

Following the speeches, the lettermen of the team were awarded gold footballs with the Midland League Championship honors engraved upon them. Then came the highlight of the night when Buddy Ernst, Tom Paulino, and Bob Boynton probably experienced their greatest High School thrills in receiving "The Most Valuable," "Best Back," and "Best Linesman" trophies respectively, for their outstanding play during the banner season.

Thus another great event has come and gone—this fine custom of Clinton Service Clubs will long be remembered by those in attendance.



Left to right: Robert Boynton, Best Linesman; Richard O'Toole, presenting awards in behalf of the Service Clubs; Anthony Ernst, Most Valuable Player; Thomas Paulino, Best Back.

Baseball

C. H. S. should be well represented on the diamond this year, as a veteran club is returning, and hoping to add further luster to last year's record. A strong batting club last year, we feel confident that our "Gaels" will take up right where they left off at the close of the last campaign, on the victory trail. Pitching is the least of Coach McCafferey's worries, as his two no-hit pitchers, Angie Bazydlo and Bill Stuka, will be seeking a chance to brighten their already brilliant high school records.

So with spring setting in, a strong batting order, a bunch of trying candidates, and Coach McCafferey to round out a starting array, our Green and Gold Nine seems headed for a winning season. Here's hoping that '49 can wave another Championship banner!

POST SEASON TOURNAMENT

A Boston Garden debut started the Clinton High School basketeers on the road to a victorious season. The score, Clinton 23 - Shrewsbury 12, proved to be the beginning of a series of successive wins over Holden, Hudson, Fitchburg, Maynard, Franklin, and Milford, after dropping a 38-24 count to St. Peter's of Worcester.

In our Gael's first game with Marlboro, last year's Midland League Champions, we had to settle for second best, as the Marlboro five won with a score of 31-28. But our hoopsters were fast on the rebound, and had strength enough to tear the league apart in the second half play. We won over Franklin, Milford, Hudson, and Maynard, a feat which made necessary a playoff between our quintet and the Marlboro five, both with 8-1 league records.

Eight hundred and fifty fans witnessed the contest at the Clinton State Armory, and saw Clinton take the game with a score of 33-25, thereby winning the 1948-49 Midland League Championship. This game closed the regular season play for the locals, whose records reads 14 victories — 4 defeats.

Meanwhile, our JV squad turned in an enviable record which showed fifteen wins over two losses at the season's close. They went undefeated in ten league tilts, which gave them the title for the second straight campaign. This record is the promise of an all-star varsity squad for next year.

As the book goes to press, our teams have won three Midland League Championships —football, basketball, and baseball. The baseball team reached the semi-finals of the Western Massachusetts Baseball Tourney where it was defeated by Pittsfield High.

Junior Varsity Basketball

Basketball

The basketball season of 1948 was the first attempt of the C. H. S. girls at organized school teamwork in many years and although they did not come out on top, they certainly showed promise and spirit. The practice sessions were conducted at Turner Hall under the coaching supervision of Miss Natalie Praderio, a member of the school faculty. The two inter-scholastic games played were both against Lancaster High, with Lancaster edging Clinton in the first game, 27-25, and in the second the locals were defeated, 40-34.

Softball

At the beginning of the season the softball team was handicapped by inexperience, but in spite of this, the team played brilliantly, the first two games played against Bolton being pushovers, for Clinton High amassed huge scores. In the two games against Lancaster High, the locals opened the current season with a 15-13 victory over their opponents at Savage Field, and repeated the victory the next day at Thayer Field, Lancaster, by a score of 9-8.

The locals, coached by Miss Natalie Praderio, pounded out eight hits for fifteen runs in the opener, while the Lancaster team scored their thirteen tallies on six hits. Natalie Wright pitched and Mary Sargent was behind the plate. The outstanding players for the locals were Nat Wright, Anna Browchuck, Lorraine Bruso, and Mary Downing, being heavy stickers with two hits apiece.

In the return play-off, Clinton High scored six runs in the sixth inning to come in from behind and edge out Lancaster, 9-8. We scored two runs in the first, one in the fourth, and six in the sixth. Lancaster came up with its runs in pairs, scoring two in the second, two in the fourth, two in the fifth, and two in the seventh. The locals appeared to be a hard-hitting club, coming up with fifteen hits, with Barbara Teece allowing Lancaster four hits in winning Clinton's second contest. Madeline Driscoll collected three hits to lead local batters, while Lorraine Bruso, hitting two, came in second place.

The squad: Mary Sargent, Joanne Cooper, Lorraine Bruso, Phyllis Grady, Mary Wilson, Famie Elia, Madeline Driscoll, Elinor Ittner, Mary Mahan, Jackie Frietag, Ellen McNally, Barbara Teece, Nat Wright, Barbara Hanny, and Mary Downing.
